PROFESSIONAL EXPERIENCE

Design Works (Interactive Designer)

2010 to present

My roles include developing and designing websites for clients. Also helping to build and re-invent the interactive division within Design Works.

Complete Studio (Web Design and Web Developer)

Winter 2009 to present

My roles included maintaining relationships for several clients, and building a cohesive vision for businesses across print, web and interactive media. Doing both design and development.

Push Institute (Interactive Designer)

Summer 2008 to Fall 2009

My roles included designing marketing materials, finding new and interesting web technologies to be implemented on their web site and their go to person for any technology related problems.

Bswing (Web Designer)

Summer 2008

Aid in the design and production of web sites, information architecture, and style guides. Mostly focusing on front-end development.

Geek Squad (Counter Intelligent Agent)

2006 to 2010

Performed software, hardware problem analysis and repair. Ensured the highest levels of customer service and satisfaction. Preserved Geek Squad brand integrity by training Agents in customer service procedures.

Best Buy (Computer Sales Associate)

2003 to 2006

Developed close and personal relationships with clients to ensure customer loyalty and retention. Acquired expertise in customer service.

VOLUNTEER

Midway Contemporary Art Gallery

2009 to present

Help with exhibiting artists, installation and curatorial duties for exhibitions, wrapping art, gallery maintenance, assistance with events.

COMPUTER SKILLS

Applications
